Hi everyone, and thank you for downloading this release! This is the first of our releases done completely by us, from scanning all the way to cleaning. I'm very excited about this one, as the art is nice, and the story looks promising! So, I hope you'll enjoy it as well~
Many people have offered to help typeset after we sent out an announcement, so I'd like to thank everyone who helped spread the word. We are now slightly short on cleaners, so if there are any EXPERIENCED cleaners who are free to help out, Please send us an email and let us know!
Thanks once again, Kido + Staff, JUN 2015
P.S. donations are still open, for anyone who can spare a few bucks to help us buy books to scan!
